## General Information about CSSM

We want to see God's Kingdom come and His Will be done on earth as it is in Heaven. We are passionate to see people brought into divine encounters, live with enduring intimacy with God and lead a supernatural lifestyle founded in a renewed identity as sons and daughters of a good Father.

Join us! You're made for so much more!

### Introduction

The Cape Town School of Supernatural Ministry (CSSM) is a 9 month part-time school that gathers either online (using zoom) or at onsite campuses. Our mission is to inspire, equip and activate multi-generational revivalists who passionately pursue worldwide transformation in their God-given spheres of influence. We do this through facilitating encounter and enduring intimacy with God, leading to a supernatural lifestyle founded in a renewed identity as sons and daughters of a good Father. We train students to minister like Jesus. This includes enjoying the Presence of God, to say what God is saying, and do what God is doing.

At CSSM students will:

### Become a Worshiper

Students will go deep in the transforming, powerful presence of God and overcome burnout. Students will learn how to live a supernatural lifestyle with sustainable rhythms.

## General Information about CSSM

### Be Transformed

Students will grow in their identity, develop their noble character, and become who God made them to be. Students will leave their time at CSSM healthy, whole, healed, free, and empowered in their calling.

### Stretch Their Faith

Students will get both hands-on training and academic, biblical understanding of the kingdom of God in a 'teach and do' culture. Students will learn to walk in the power of God.

### Is CSSM for you?

Do you desire greater intimacy with God and others? Do you want to do what Jesus did? Do you want to be like Jesus? Are you hungry to see the power of God in your life? Do you have a passion to step out in faith and to see signs, miracles and wonders? Do you want to be used by God to transform your spheres of influence? Do you want to be a revivalist? Then CSSM is for you!

CSSM is not a rehab, nor is it a discipleship school for those coming out of lifestyle sins. At CSSM we do not focus on correcting student behaviour, but rather reinforce and grow their "Revivalist Lifestyle." It is a place of freedom where students can find their true identity in Christ.

## General Information about CSSM

### History of CSSM

CSSM was launched in Cape Town in 2014 by two graduates of the Bethel School of Supernatural Ministry (Redding, California). Our school is a BSSM school plant and we make use of the BSSM curriculum. Over the years we have hosted various leaders and speakers from Bethel Church including Danny Silk, Kevin Dedmon, Paul Manwaring, Steve Backlund, Theresa Dedmon, Chuck Parry and others as well as various Bethel teams and Bethel missions teams. Locally, we have had a number of revival leaders teaching at the school. These include Bill and Connie Bennot, Nigel and Debbie Desmond, Denise Padayachee, Esme Schmitt, Lauren Bluck, Shirley Momberg and Carol Campbell. Speakers and authors who form a big part of our core curriculum include Bill Johnson, Kris Vallotton and Danny Silk.

Each year CSSM has been marked by increase and momentum. We have been privileged to have students from over 100 churches in our region get set ablaze in the reality of their God given identity, taking radical risks and seeing healing, miracles and transformation as they step into all that Jesus made available for them. 2023 will see our tenth intake of 1st year students and sixth intake of 2nd year students.

### Fold Distinctions

The academic instruction at CSSM is unique because it is taught by local and international apostles, prophets, evangelists, pastors and teachers. Students will learn how to read, understand, and “do” the Bible - how to practice His presence, witness, heal the sick, prophesy, preach, pray and much more.

## General Information about CSSM

### Leadership Structure

Our CSSM leadership team consists of dynamic leaders and revivalists who truly lay down their time and resources for this school. They passionately love God and want to see lives transformed by His Presence.

Our Core Leadership team consists of Bill Bennot (Director), Putso and Nonku Shuping (Deputy Directors), David and Lindi Russell (Dean of Online First Year School), Debra Brinkworth (Administrator and Dean of Online Second Year ) and Sakkie Filmater (Financial Oversight).

In addition to the core team there are also several Revival Group leaders. Students will be allocated to a Revival Group at the beginning of the school year.

CSSM is under the apostolic leadership of Bill Bennot, senior pastor of Journey of Grace. Bill and his wife Connie oversee all aspects of our school. Our school is also a ministry of Journey of Grace, but has the apostolic mandate to be a resource for the body of Christ in Africa. For this reason, our school has a bank account linked to Journey of Grace and we are under the rigorous financial oversight of Journey of Grace. Each year CSSM financial records are audited and every month our financials are represented to the financial oversight team. At CSSM, we believe in faith, radical generosity and accountability. We therefore value Journey of Grace's unfailing support in our mission to raise revivalists in Africa.

## Key aspects of CSSM

### Key aspects of CSSM

Here are some key aspects that describe CSSM well:

#### Atmosphere of the School

The atmosphere of the school is built around the presence of God. Passion, purity, power and love for the presence of God are center stage. We also place a high priority on building a culture of worship to express our love for God.

#### Revivalist Lifestyle

Our mission is to develop the revivalist God has created each student to be. We expect students to grow in the Truth, to allow the Truth to save and transform their lives, and ultimately, to radically live it.

#### Experiential Learning

At CSSM we emphasize experiential learning along with academic understanding. Students not only develop a mental understanding of living a supernatural lifestyle as a revivalist; but are also encouraged to step out in faith. As students take risks, their faith is stretched and they learn to do what Jesus did.

#### Revival Groups

Each student is placed in a revival group that is led by a CSSM leader. This revival group meets regularly during the year, during class time. The aim of revival groups is to build community, to discuss and impart core revival values and to activate students in personal revival.

## Key aspects of CSSM

### Diverse Culture

One of our unique strengths is that we host students from many diverse cultures and churches. In 2017 we also had our first international student. Our diverse student body increases our cultural awareness and adds joy and the pleasant sound of many “tribes and tongues” to our environment.

### Your Personal Transformation

Attending CSSM is a transformational experience. Our desire for each student is the following:

- Discover their identity in Christ
  - Develop a deeper intimacy with God and other believers
  - Learn and live out Biblical Kingdom Values
  - Learn to walk in the power and gifts of the Holy Spirit
  - Learn to study and love Scripture
  - Get equipped in ministry
- At CSSM we build our school culture around specific core values:

## Core Values of our School

### Core Values of CSSM

At CSSM we build our school culture around specific core values:

#### God is good

Jesus perfectly reveals the nature of God as a good Father. God is good regardless of our circumstances. God is generous and, as we remember and report on what He has done, He is able and eager to do it again.

#### Salvation

This creates joyful identity. We are new creations, not merely “sinners saved by grace,” but saints who have been given His righteousness. We are adopted as royalty into God’s family.

#### Responsive to Grace

God scandalously loves His “lost” creation and extends grace, empowering believers to love Him and others at a higher standard than the law. Deeply experiencing grace, enables us to walk out of shame and into righteousness.

#### Focused on His Presence

Our first ministry is to God. As a lifestyle, we focus on Him while we minister and attempt to say what God is saying and do what He is doing.

## Core Values of our School

### **Creating Healthy Family**

We are adopted into God's family so we intentionally create family and community wherever we go. We think like healthy family members by doing what's best for the whole environment, submitting to one another, and living selflessly.

### **God's Word Transforms**

When we encounter God in the Word, faith is released into our lives. As we study Scripture, it empowers us to learn who God is, who we are, and how He wants us to live.

### **God is still speaking**

Jesus said that His sheep would know His voice and that the Holy Spirit would teach us all things. It's natural for God to communicate with His family and important for us to listen, learn His language, and test what we are hearing with Scripture.

### **Jesus empowers supernatural ministry**

Jesus promised signs would follow believers and that they would do even greater works than He. Nothing is impossible with God, so no person or situation is beyond His ability to bring complete restoration.

His Kingdom Is Advancing: Every believer is in full-time ministry because God is advancing His Kingdom, not just building His Church. Our work and effort, whether big or small, inside or outside the church, is sacred and valuable to God.

## Core Values of our School

### **Free and responsible**

Christ died to set us free from the law of sin, death, fear, and shame. Freedom is very personal, but not self-centred. We have been given freedom to serve one another in love.

### **Honor affirms value**

Honour recognizes and affirms how valuable and powerful other people are because they are made in His image.

### **Hope in a glorious church**

We believe the Church will successfully fulfil Christ's great commission to make disciples of all nations, which means the nations will be transformed.

### **Generous like my Father**

God is extravagantly generous. The thread of this generosity is woven throughout His creation, covenants, provision, the person of Jesus, and the Kingdom, as He consistently models that it is more blessed to give than to receive. God has blessed us in every way so that we can be generous in every way to advance the Gospel. Our generosity is a response to, and reflection of, Him.
